## CONFESSIONS FROM THE WAR

Film screening and Q&A  
with Director Leon Shahabian

As the Syrian War rages next door, former fighters from the Lebanese Civil War (1975-1990) must confront their past for the sake of Lebanon's future. Will sharing their personal stories of loss, regret and redemption with Lebanese youth at risk of radicalization be enough to help prevent another war? Only time will tell.

Join us for a screening of Director Leon Shahabian's film, *Confessions from the War*. The film will be presented by the director himself, and will be followed by discussion/ Q&A and a reception.

**Tuesday, Nov. 15, 2016**  
**5 - 8 pm | The Legacy Suite**  
**Dining Centre**  
**University of Calgary**
